

loadTower

```
graph LR; A[loadTower] --> B[helpz.LoadSave.getImage]
```

A diagram showing a call from a function named 'loadTower' to a method named 'getImage' within the 'helpz.LoadSave' namespace. The 'loadTower' box is gray, and the 'helpz.LoadSave.getImage' box is white. A blue arrow points from the right side of the 'loadTower' box to the left side of the 'helpz.LoadSave.getImage' box.

helpz.LoadSave.getImage
